

Dear Friend,

For over thirty years sailors in Southeastern Connecticut have raced to raise funds in the Mudhead Benefit Regatta. This year, the Mudhead event supports Always Home and will take place on July 15, 2023. Racers raise funds in the preceding months and also garner items to be utilized at the party as fantastic prize 'giveaways.'

Always Home's goal is to keep families housed and to help parents create lasting stability for their children. Always Home focuses exclusively on serving Eastern Connecticut families with minor children, and strives to keep families in their own housing and out of emergency shelter so that children never have to experience the trauma of being homeless.

Please fill in the information below, and feel free to contact us with any questions. Thank you!

Sincerely,

Mudhead Regatta Committee
